### **KOUFAX WINS 18TH**

While the Phillies and Giants continued their team struggle, Sandy Koufax of the Los Angeles Dodgers added to his laurels by posting his 18th victory with a 4-1, five-hit victory over Cincinnati. In other games, Milwaukee whipped Houston 5-1 and Pittsburgh ended the New York Mets 5-4.

Eddie Mathews got the job done for the Braves, drilling a homer, double and two singles in support of Tony Cloninger, who balanced his record at 11-11. Cloninger had a five-hit shutout until Dave Roberts produced the Houston run with a two-out homer in the ninth.

### Negro Secret Service Agent Gets 6-Year Term

CHICAGO (AP) - U.S. Atty. Edward V. Hanrahan has hailed the conviction of Secret Service LBJ PLEDGES Agent Abraham Bolden as clearing the integrity of the U.S. Secret Service.

Bolden, the first Negro ever assigned to guard a U.S. president, was convicted and sentenced to six years in prison Wednesday of trying to sell government evidence in a counterfeiting case for \$50,000.

He had charged that the government framed him because he planned to tell the Warren Commission about laxity and drunkenness among Secret Service agents assigned to guard President Kennedy in 1961.

## MANY EXPECT CARDS TO WIN **CROWN IN EAST**

ST. LOUIS CARDINALS By JACK HAND Associated Press Sports Writer

LAKE FORREST, Ill. (AP) -On the theory that the St. Louis Cardinals matured in the heat of the rousing four-club race in 1963, many pro football observers are tabbing Wally Lemm's club for the Eastern championship in the National Football League this season.

The Cards came close last year although they finished third. With three games to go they were locked in a three-way tie for first with New York and Cleveland. Only a last game defeat by Dallas cost them a piece of second place. Their 9-5 record was the teams best since 1948.

"When you get in contention you are hurt if you don't have experience," said Lemm at the training camp at Lake Forest College where he used to coach.

"None of our boys had played with a contender except Joe DIA Childress and Jimmy Hill in 1956. I think we matured last year under real pressure. Now we know how it feels.

"The loss of Bill Triplett (out A) for the season with a lung condition) has to hurt. If John David Crow can pick us up we'll be all right. Crow has torn adhesions after an operation but we expect him back before the Associated Press Sports Writer opener."

## MAUCH FINDS NO TIME FOR

Associated Press Sports Writer CHICAGO (AP) - Mention the word relax and you can see the blood pressure mounting in Gene Mauch, manager of the National League-leading Philadelphia Phillies.

"Can you imagine anybody asking if we can relax a little now that we're in front by several games?" asked Mauch after the Phillies edged the Chicago Cubs 6-5 Wednesday.

"Wes Covington hits a threerun homer in the eighth and we're ahead 4-2. It looks like we're in free. Then, all of a sudden the Cubs have the tying run on base in the ninth. "NOT FOR A MINUTE"

"Relax - you can't for a sin gle minute in this game. But I'll tell you when we can relax. That's when the mathematicians get on your side and say we're in without any chances of being out."

"Having opposed civil rights New York City until this year, let him make an issue of it. I'll just repeat back to him the thousands of words he has spoken.

### "BIGGEST FAKER"

"Lyndon Johnson is the biggest faker in the United States. He's the phoniest individual that ever came around."

Before the month was out, Goldwater and Johnson sat down in the White House and talked about the civil rights issue, how to keep from inflaming racial passions.

Goldwater told newsmen the atmosphere at the meeting was \* good, "we're good friends. We're old political friends."

One of the classic examples of a politician sidestepping a heatof-the campaign remark came in February 1941, when Wendell L. Willkie was questioned by a senate committee.

### CITE WILLKIE STORY

Willkie had run against Franklin D. Roosevelt for president the year before and had declared that, "On the basis of Roosevelt's past performance with pledges to the people, you may expect that we will be at war by April, 1941, if he is elect-· ed."

Willkie was asked at the committee hearing, "Do you still agree that might be the case?" He replied:

"It might be. It was a bit of campaign oratory."

### HAYS HAS STORY

To cap this discussion of political flexibility, there is a story that former Rep. Brooks Hays of Arkansas tells.

A congressman's friend told him, "Jim, I've just come back

from your district and Bill Jones is going to run against you." "Well. I'm not surprised," the congressman said. "He is a dir-

Then the friend broke down and admitted he had been teasing. He had made up the whole \* story, that, in fact, Bill and Charlie were both strong for the congressman's re-election. Reproachfully, the congress-
